Merry Christmas
and a
Happy New Year 2009!

This is the first time we send you our wishes by internet to save money and because all our latest news you can read on our new website www.artistsfornature.com

Read about the new project in Israel and the Environmental Education Centre (EEC) in Bandhavgarh, India, and see the photographs of the progress 'we' (Vivek Sharma) have made. Just now in December, we received donations from the Swiss Planet Foundation (\$50.000,-) and The Prince Bernhard Nature Foundation (€25.000,-) from the Netherlands to support the EEC project. We project to use the centre by the beginning of February 2009.

We hope you all will have a very nice, healthy and productive artistic year !

Warm regards and love to you and your family,

Dancker Bijleveld & Ysbrand Brouwers
