Board:

Dancker Bijleveld - chairman
Bruce Pearson - vice chairman
Harm Teijen - secretary
Hans Rademakers - marketing
Florian Hupkes - member

ANF staff, ANF board and the representatives abroad, wish all dear ANF artists and friends a

Merry Christmas
and a
Happy and Successful New Year 2010

This is the second time we send you our wishes to all our friends by internet to save money and because all our latest news you can read on our website

www.artistsfornature.com under news and events.

Read about the wonderful second visit we had this March to the Hula Valley in Israel and enjoy some of the artwork created during this visit. In 2010 we plan the publication of the book and to announce an international/intercontinental tour of the artwork. And read about the opening of our ANF Environmental Education Centre and Eco lodge in Bandhavgarh India. We visited the lodge in November 2009 with a group of international artists.

The trip and workshops were a great success in a wonderful atmosphere of friendship and creativity. We will have another artists trip in the second half of March 2010 for which there are still a few places available....

Although the EEC in Bandhavgarh has been completed, we urgently need funds to pay for our debts, so please help us with a donation, which would be highly appreciated. For our bank details see below. Thank you !!!

**We wish you a very nice, healthy and productive artistic year.
Warm regards and love to you and your family,**

Dancker Bijleveld & Ysbrand Brouwers
